

Download 74 Colt Mitsubishi Manual

Mitsubishi Colt. Mitsubishi Colt is a nameplate from Mitsubishi Motors that has been applied to a number of automobiles since 1962. It was first introduced with a series of kei and subcompact cars in the 1960s, and then for the export version of the subcompact Mitsubishi Mirage between 1978 and 2002. Starting and driving Automated manual transmission The currently selected shift position, manual mode or automatic mode is indicated on the multi-information display (B). An automated manual transmission is a transmission in which operation of the clutch and shifting of gears are performed automatically under electronic control.
