Workplace and Apprenticeship 10. Prerequisite: Students must have successfully passed a regular Saskatchewan Learning Grade 9 Math Program. This course is the pre-requisite math class for the workplace and apprenticeship pathway. Essential Skills Resources. Essential skills such as reading text, document use and math are needed for work, learning and life. The Apprenticeship Agency has introduced several new learning options, which include the development of a learning plan, an informal assessment and access to training and supports (e.g. tutoring) to assist apprentices in the technical portion of their training. Personality has a direct impact on the behaviors of employees at work. People's behavior patterns can be broken into a Big Five Personality Model (also known as O.C.E.A.N.), which will help ...
