

# **Download Architectural Drafting Standards Manual**

DECEMBER 2010 design AUGUST 1, 2014 Architectural Design Manual Office of Construction & Facilities Management This Manual establishes a formal system of drawing requirements for LANL personnel and its subcontractors for nuclear and non-nuclear facilities. It is required when creating or modifying drawings and sketches for LANL facility, utility, infrastructure, and environmental programs projects. Its use is recommended for programmatic work, where appropriate. Triton College Drafting Standards Manual Page 16 Drawing Revision Format Drawings are revised frequently. If a drawing is revised after it is issued for construction, the part that is changed must be “clouded” with a black grease pencil on the back of the drawing (so the cloud can be easily erased when it is revised) CAD & BIM Standards Introduction This manual is a guide for consultant s performing, or desiring to perform, engineering design and/or drafting services for the Port of Portland.
