Roccascalegna is one of Abruzzo's must-sees if you fancy a bit of castle hopping, more for its unusual setting than for its fortifications. It made me think of the Wizard of Oz, like Dorothy's house strangely stuck in a place that the mind perceives it doesn't belong. Fattoria Fabiocchi, located just off the road between Montorio al Vomano and Teramo in Abruzzo, is an intriguing agriturismo/restaurant, at least for the air of ... Here's one I have never seen in a bakery in California – Abruzzo's Christmas classic – Parrozzo, a specialty of Pescara, where my grandfather was born. Note 1: Linuccia is a diminutive of Elena. [Photograph showing Elena Abiuso.] [Note 2: The tratturo was a wide grassy path that shepherds once used to herd sheep and cattle between the highlands of Abruzzo and the plain of Puglia (transhumance), an ancient path that shaped the history of the region. [See The Sheep Migration Trails of Molise.]] [Note 3: For Donna Elena something important was ...
