

Download Hospira Epidural Pump Manual

Hospira Sapphire PCA/Epidural Pump Handout 2 6/1/2016 © Seton Healthcare Family 6. I'm looking for a service manual for the QCORE medical, Sapphire, Epidural pump. If anyone has one handy, I'd appreciate a look see. Thanks, Alan Wilson

System Operating Manual 9 RUN starts fluid delivery at the rate set by the user. RUN is the only setting that delivers fluid. The pump operating indicator light on the front panel flashes during pumping. HOLD/RESET stops fluid delivery. Fluid containers can be an alert sounds to allow the user).the PCA 3 pump prior to use. The PCA 3 is intended for use at the direction or under the supervision of licensed physicians or certified healthcare professionals. They must be trained in the use of the pump, administration of parenteral and epidural fluids and drugs, and the prevention of related IV complication and precautions to
