

Download Kindergarten To First Grade Summer Work Packets

Christmas FUN! This NO PREP Packet for December has a lot of FUN and engaging activities to keep kids learning during the holiday season! You do not need to laminate, prep or use any color ink! I love spiral binding my summer review packets. Everything is in one place and the girls can learn in the car, on a camping trip or whenever they feel a little “board”. This is going to be a quick post. I just wanted to share what we were working on in class. I wanted to do a little mini unit with my firsties on animals in winter. This Back to School NO PREP Packet is filled with hands-on, engaging and FUN resources that get kids excited about learning! The activities in this packet can be used for morning work, homework, group work, centers and more!
