

Download Knitted Hot Water Bottle Covers Patterns

When cold weather hits, there's nothing like snuggling up to a toasty hot water bottle. Here are a bunch of patterns and tutorials for making covers and cozies for them so they're even more snuggle-friendly. Welcome to the Nixneedles Home Page. You will find the current project of the month and a preview of the project coming next month. Here you will find a free knitting pattern for a traditional knitted tea cosy to fit a large (8 - 10 cup) tea pot. This knitted tea cosy is made from chunky yarn and keep you tea pot hot for longer than the equivalent ones made with double knitting yarn. Cushion covers, blankets and throws, doilies and tea cosies – every home looks cosier with a few hand-knitted home comforts dotted around the place.
