NCLEX 3000 is a review software that provides simulated computerised adaptive testing like that of the NCLEX. The software has been designed to mimic the real exam and has been designed to provide a rigorous practice of NCLEX PN questions. The questions have been designed in a manner that each of them explains a concept, they provide detailed rationales for correct answers. ATI has the product solution to help you become a successful nurse. Check out our tutorials and practice exams for topics like Pharmacology, Med-Surge, NCLEX Prep and much more. 'Education made easy and accessible' is what Khan Academy is known for. It's a free learning and self paced platform where any student can gain free access to all learning material (videos as well as theoretical content) to understand tough concepts as well as to reinforce what you may be learning in school or college.
