Maitland-Australian Physiotherapy Seminars (MAPS) is the largest U.S. provider of Evidence-Based Continuing Education courses for rehabilitation clinicians in Maitland-based manual therapy. Premier Rehabilitation's staff is the best you will find available for your physical therapy needs. Each and every therapist is a Doctorate of Physical Therapy with residency training. Kyle Cook is currently practicing physical therapy at Loyola Medical Center, in Chicago, with over 10 years experience in the field. He is also an instructor in Loyola's Orthopedic Residency and Spine Fellowship programs. Physical therapy (PT), also known as physiotherapy, by using mechanical force and movements (bio-mechanics or kinesiology), manual therapy, exercise therapy, and electrotherapy, remediates impairments and promotes mobility and function. Physical therapy is used to improve a patient's quality of life through examination, diagnosis, prognosis, physical intervention, and patient education.
