

Download Padi Tec 40 Diver Manual

The future of deep tec diving belongs to the CCR (closed circuit rebreather) and the Tec 40 CCR course is where it all starts. If you're interested in technical diving and want to dive a rebreather, the Tec 40 CCR course is your entry into the tec diving realm. The third part of the full PADI Tec Deep Diver program is Tec 50. As a Tec 50 diver, you show that you've developed competency as a tec diver and have the skills to dive to a maximum of 50 metres/165 feet. Who Can Take Part? Virtually anyone who is in good health, and comfortable in the water can earn a PADI Open Water Diver certification. If you are between 10 and 14 years or have a child between these ages, there is a PADI Junior Open Water Diver program available. Diving Tenerife prices for discover scuba diving for beginners, diving for certified divers and PADI courses of all levels of experience.
