

# Download Summer Math Projects For Fifth Graders

Why Take a Math Course? Mathematics can be described as a language, a tool, a science, and an art. CTY math courses aim to give students the skills, knowledge, and perspective to understand the multifaceted nature of mathematics and, by doing so, enrich and accelerate their explorations of advanced math content. Staff and faculty at the Mathpath summer program for highly gifted middle school age students Science Buddies' fifth grade science projects are the perfect way for fifth grade students to have fun exploring science, technology, engineering, and math (STEM).
