The Christmas Promise was another great Christmas story from Donna VanLiere. The first three books in the Christmas Hope series embodied a sense of sadness with death taking center stage in each of them. While I loved all those books, it was nice to have one with a more whimsical tone where no one dies or is struggling mightily with someone ... "Each Christmas we are given a promise from heaven. And each year on earth we make promises to each other. This is a story about how a promise from one person to another shows us the true meaning of faith, remembrance, and love." Seven years ago Gloria endured a family tragedy that almost shook her faith entirely. Buy The Christmas Promise (Christmas Hope Series #4) at Walmart.com
