Topics include how to achieve subspace, the role of a good top and bottom, the importance of subspace and the therapeutic value of entering this spanking nirvana. Jacqueline interviews Anna who is a true adult spanking fetishist. She actually goes totally into subspace while over Jacqueline's knee for a life-altering spanking. Instead, subspace provides a satisfying therapeutic release that is enjoyed by those who identify as adult spanking fetishists. Jacqueline Omerta, a licensed Marriage Family Therapist and adult spanking fetishist, offers a comprehensive explanation of the profound nature of subspace.
