When you own a lawn mower, it's important to remember the basic maintenance that should be performed on your unit at regular intervals. To keep the engine running in top shape, you need to change your lawn mower oil fairly often. It's not a difficult process and only takes a few minutes to complete. The Troy-Bilt TB200 walk-behind mower features a front wheel, self-propelled drive system, a dependable 140cc OHV Briggs and Stratton 550e series engine with primer. The TriAction cutting system on this Back in 1937, when Troy-Bilt® introduced the very first rototiller into the American landscape, it was considered a remarkable innovation for its time. From the start, a reputation for quality and durability helped Troy-Bilt grow strong, adding mowers and other outdoor power equipment along the way.
